JOIN THE MISSION

ADOPT-A-CLASSROOM

DO IT TOGETHER

We will bring a donation tree to your business with the shoe sizes/preferences for an entire class. This gives your clients and employees the opportunity to select a student(s) they wish to bless with shoes. They will bring their personal donations back to your business and we will pick them up the second week in December.

The donation trees are table-top size and have cute sneaker keychains attached to each wish list. Donators may keep the keychain as a gift.
